FOR COMMERCIAL DISPENSING

Unbreakable Flow:

Introducing the Stainless Steel Shuttle!

Perfect for busy commercial settings, our all-new stainless steel shuttle ensures your drinks keep flowing all night long. Its increased durability stands up to the demands of high-volume service, preventing downtime and keeping your customers happy.

Effortless Maintenance

Stainless steel is easy to clean and sanitise, keeping your operation hygienic and efficient.

Fresh Pours, Everytime

The forward-sealing tap minimises air exposure, and bacteria build up ensuring consistently fresh and flavourful drinks.

Versatility on Tap

The interchangeable spout allows you to seamlessly switch between filling growlers and pouring perfect nitro stouts. Save space and money with Nukatap.

Cheers, to that!

At a fraction of the cost of the competition, save money without sacrificing quality.
